GENERAL SCHEME OF KENTUCKY.

NOTES.

1. Junctions are designated by the prefix *.
2. Offices discontinued are designated by the prefix △. Discontinued offices will be carried in scheme as long as carried in Annual Postal Guide.
3. Offices with suffix (c. h.) are county seats.
4. The suffix (n. o.) to junction points means no office.
5. The letters following the name of the county indicate the case examination to which the county belongs.
6. A reference letter affixed to an office refers to note in supply column.
7. If no train numbers are shown in supply column all trains supply the office involved.

RAILWAY POST OFFICE SEPARATIONS.

EXPLANATORY NOTES.

1. Mails distributed by general schemes must be made up at all times, in both letters and papers, as indicated in separation list printed below, by lines and offices making direct connection at points indicated.
2. Lines and offices not making direct connection must make up all mail as directed or mass on connecting line.
3. Offices prefixed "M" must be made up direct, in both letters and papers if quantity warrants; otherwise mass on connections.
4. The dividing point named includes that particular office, connections and dis offices if any, unless otherwise specified.
5. When less than 10 pieces of No. 2 are received in No. 1, or of No. 3 in No. 2 separations, clerk will not check as errors the pieces so received.
